Elements of the Liturgy

Antiphons

Sometimes a fixed refrain is added after each verse of a psalm. In the Old Testament, some psalms already come in this form, with refrains like "for His mercy endures forever!" or "Alleluia! (a Hebrew word meaning "Praise God!"). In the Byzantine tradition, these short refrains were called troparia; here are some examples:

Through the prayers of your saints, O Savior, save us!
O Son of God, risen from the dead, save us who sing to you: Alleluia!
Save your people, O Lord, and bless your inheritance!

Holy God, Holy and Mighty, Holy and Immortal, have mercy on us!
An antiphon consists of a set of psalm verses, with each one followed by the fixed refrain, then the small doxology ("Glory to the Father... Now and ever..."), and the refrain once more; this was usually followed by a short litany and a prayer. An "office" of three such antiphons was an ancient feature of the Byzantine Rite. Today, these antiphons are sung in the Divine Liturgy.

Joke of the Day

On a very cold, snowy Sunday in February, only the pastor and one farmer arrived at the village church. The pastor said, 'Well, I guess we won't have a service today.' The farmer replied: 'Pastor, even if only one cow shows up at feeding time, I feed it.'

The boy listened closely as the rabbi read the Bible. 'May I ask a question?' he asked. 'Sure. Go ahead. Ask your question,' replied the rabbi. 'Well, the Bible says that the children of Israel crossed the Red Sea-the children of Israel built the temple-the children of Israel did this and the children of Israel did that. Didn't the grown-ups ever do anything?'
